Accessories

Accessories

Roof Cross Bar Set

Easy to fit cross bars attach to the genuine roof rails and allow you to carry loads of up to 100kg on the roof of your car.

Bicycle Holder

Safely transport your bike on the roof of your car to maximise your luggage space. With a lockable mechanism it will ensure that your bike stays there until it's time to ride.

Ski and Snowboard Holder

Available in 4 pair or 6 pair ski size this attachment fits securely to the cross bar set for that trip to the snow and is lockable to keep your items safe.

Rear Chrome Trim

Dress up the rear of your car with this easy to fit and classy looking chrome trim for the bottom of the rear door.

Door Sill Scuff Plates

Add that classy look to the door sills or your car whilst protecting the body work from scratching with these decorative door sill covers featuring a stainless steel insert.

Premium Floor Mats

The specially designed floor mats are removable and washable and will help keep your interior nice and clean. Complete with locking clips to keep them firmly in place they are available in either carpet or rubber

Sports Body Kit

Give your car that individual sporty look with the Sports Body Kit, featuring a front lower skirt with stainless steel insert, rear lower skirt, rear roof spoiler and wheel arch flares. This fully engineered body kit really emphasises the original lines of the Tiguan. (Note: Body Kit does not include Side Steps)

Kayak Holder

Tailor made to suit the hull shapes of most small paddle craft this attachment will allow you to safely transport your kayak or ski to the water.

Side Steps

Rated to carry up to 150kg each side these convenient and attractive side steps are fitted with a non-slip coating to make it easier to access the load on your roof.

Tow Bar Kit

With an impressive 2,000kg braked towing capacity the tow bar kit allows the connection of a trailer and lights for towing. Features a removable tow-ball tongue and storage bag (750kg unbraked and 100kg downball capacities).

Luggage Net

Perfect for keeping things from rolling around in the boot of your car, the luggage net secures firmly to anchor points on the floor and is made of an elastic material.

Plastic Boot Tub

Made from hard wearing acid resistant plastic this removable boot tub with high side walls will keep the cargo area of your car clean, no matter what you're carrying.

Reversible Boot Mat

This precision fit, practical and reversible boot mat has velour on one side and dimpled plastic on the other to ensure that your load doesn't slide around whilst you drive.

Rear Parking Sensors

Taking the guesswork out of what is behind you is simple with rear parking sensors. As you select reverse a variable audible tone will sound if there is something close to the rear of your car.

iPod Adaptor

Connect your iPod to the radio in your car and enjoy your own music whilst you drive. You can even access playlists and control the volume using the buttons on your wheel.

Bluetooth Phone Kit

Utilising the latest in Bluetooth technology the phone kit allows the wireless transfer of telephone calls through the radio in your car. Using the buttons on your wheel you can answer a call and even adjust the volume whilst taking it.

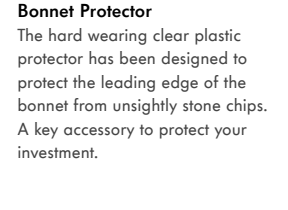

Side Window Sun Blind

This folding sunblind for the rear passenger windows will shield direct sunlight and glare from outside the car. Removable and with storage bag they come as a pair.

Slim Line Weather Shields

These attractive slim line weather shields offer protection from rain and wind if you prefer to drive with your window partly open.

Bonnet Protector

The hard wearing clear plastic protector has been designed to protect the leading edge of the bonnet from unsightly stone chips. A key accessory to protect your investment.

Headlight Protectors

A must have for all types of driving conditions, this attractive and practical accessory protects the unique glass headlights of your car from damage and breakage.
